Peter,

I have a goal to get you the completed small mine permit application tomorrow. Is it on line? The permit application you sent me was for exploration not mining.

Hi Jim,

Our bonding person here asked me if I had an update on your plans. I told her I'd find out.

When you get a minute, will you let me know if you've decided to either proceed with large mine permitting or

stay permitted as a small mine? Thanks. No big rush to decide.

Peter
